

Imperial Tissue

TISSUE & HYGIENE MANUFACTURING · UGANDA

Soft, strong, hygienic paper — made in Uganda.

WHO WE ARE

Hygiene paper, made close to home

Imperial Tissue Limited exists to put dependable, hygienic paper products within reach of every Ugandan home and business. We manufacture in Kampala, so retailers, distributors and hospitality partners can count on consistent quality, honest value and steady supply — without waiting on imports.

What we make

Toilet paper in 2, 4 and 10-roll packs including colour variants, kitchen towels in 1 and 2-packs, paper napkins and serviettes — a tier for every shelf and budget.

Manufacturing

Every roll is made in our own Kampala facility. We control the process from converting to packing, holding consistent standards for softness, strength and cleanliness.

Distribution

We supply retailers, wholesalers, supermarkets, distributors and the HORECA sector across Uganda and the wider region — matching formats and brands to each market.

Softness with strength

Paper engineered to feel soft and hold up under use.

Hygiene you can trust

Clean, consistent products — the same in every roll and carton.

Reliable supply

Steady volumes for retail, wholesale and HORECA.

Private label & OEM

Production for partners building their own brand.

FOUR BRANDS, ONE STANDARD

A tier for every shelf and budget

From premium softness to smart value, our four in-house brands give every customer the right product at the right price point.

PREMIUM

Dune

Our premium line: plush, luxury-feel tissue and towels for those who want the softest, strongest finish. Ideal for hotels, fine dining and premium retail shelves.

EVERYDAY

SkySoft

Soft, dependable everyday quality across tissue, towels and napkins at family-friendly value — the workhorse of homes, offices and casual dining.

ESSENTIALS

Modern

Practical, no-fuss essentials that deliver consistent, hygienic quality without overspending — perfect for institutions and value shelves.

SMART VALUE

Comfex

Smart value tissue for high-traffic homes and washrooms where reliable comfort and bulk affordability matter most.
